Senator William Hodges Mann, of Nottoway, was seen at the Jefferson, and asked for an expression on the Richmond, Fredericksburg and Potomae situation.

"I heartily endorse the action of the Governor in the matter," said Judge Mann, "and although I am not prepared at this time to say whether the interest involved is sufficient to warrant the calling of an extra session of the Logislature, for the reason that I have not followed the case very closely, yet, I will say that I am disposed to sustain the Governor in anything he may do with reference to the subject."

Senator A. A. Phiegar, of Montgomery, declared when seen at Murphy's, that he

In reality, they are all only symptoms caused by some uterine disease. The Physician, apporant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better in Trabaca of the wrong treatment, but probably worse. A groper medicine like Dr. Planc's Favorite Prescription, directed to the cause would have printed ramated the disease, thereby dispening all those distrassing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in Only conduiton or the trade of the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appointing cordial and restorative tonic.

As a soothing and strengthening nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

## The reason for this is plain.

The Cable line is a line of vastly superior Planos. They are manufactured in probably the largest and best equipped factories in the world, and every unit of their construction, both labor and material, is of the highest quality. Indeed, under the eyes of expert plano manufacturers, the most exacting care is used in selecting materials, and watching the entire process of manufacture.
